

Immigration Consultant

Diploma

Program Objective

The Immigration Consultant Diploma program is designed to prepare students for a wide range of opportunities within the immigration consultancy field. During the duration of the program, students learn both the theoretical and practical aspects of the profession required to advise and represent potential immigrants before Citizenship and Immigration Canada, the Immigration and Refugee Board, and the Canadian Border Services Agency.

Regulated Canadian Immigration Consultants (RCIC) are able to work and practice across Canada as well as in other countries. Graduates of the Immigration Consultant Diploma program may also find employment within immigration practices of law firms, immigration consulting firms and government agencies. To this effect, the program curriculum provides students with the various aspects of immigration law and rules of professional conduct. The program also aims to educate students in the skills necessary to apply this knowledge to represent clients and operate a successful immigration consultancy practice.

The accredited Immigration Consultant Diploma program prepares students to write the Full Skills Examination administered by Immigration Consultants of Canada Regulatory Council (ICCRC) to obtain their Regulated Canadian Immigration Consultant (RCIC) designation.

Program Notes

Financial assistance may be available to qualified students.

Students must pass all courses and achieve a 70% program average to earn an Immigration Consultant Diploma.

Full-time students must attend the required hours per week as per the course schedule.

Admission Requirements

- Successful completion of at least two (2) years of post-secondary education or equivalent; or
- A minimum of two (2) years of related work experience or equivalent; and
- Satisfactory language test score (passing grade of English or French test set by the education provider).

Method of Delivery

Combination of:

- Integrated Learning™ System training facilitated by Academy of Learning College facilitators.
- Instructor-led training.
